## PUBLIC UTILITIES FORTNIGHTLY

### Subject Index

#### ACCOUNTING,

- Deferred maintenance problem, 225.
- Original cost, newfangled procedure, 481.
- Precision in utility regulation, 571.
- Precision will-o'-the-wisp, 283.
- Property records to increase, 793.

#### ADVERTISING,

- Advertisements telling "other side of Tennessee Valley Authority," 623.
- Utilities use national advertising to tell advantages of communities, 451.

#### AIRPLANES,

- Buzz planes with pay loads, 565.
- Plan for television and frequency modulation broadcasting from airplanes flying in stratosphere, 315.
- Should air-line securities be regulated, 760.

#### AMERICAN GAS ASSOCIATION,

- Holds first postwar meeting, 718.

#### AMERICAN TELEPHONE AND TELEGRAPH COMPANY,

- Bell system's job ahead, 33.

#### APPLIANCES,

- New plan for financing announced, 790.
- Survey of urban markets for electrical, 529.

#### APPORTIONMENT,

- Cumulative financial results of operation of Bonneville Power Authority, 51.

#### ARIZONA,

- Plan for public ownership of electric facilities, 704.

#### ART,

- Art and good design in public utility services, 111.

#### ATOMIC POWER,

- Atomic era for utilities, 349.
- Congress considers science bills and atomic power, 726.
- Diverse views as to industrial possibilities, 386.
- Impact on public power projects, 311.
- Potential financial effects of atomic fission on utilities, 318.
- Power of the atom, 424.

#### BONNEVILLE POWER AUTHORITY,

- Cumulative financial results of operation of Bonneville Power Authority, 51.

#### BUSINESS,

- Firms benefit by utility's market survey, 198.

#### BUSSES,

- See also Transportation.
- Walkie-talkie takes over, 560.

#### CAPITALIZATION,

- See also Securities.
- Summary of major electric and gas operating companies in United States, 126.

#### CHARTS,

- Appeals from Utilities Order U-2 processed by War Production Board, 497.
- Applications for telephone service, 496.
- Comparison of total farms in United States with rural telephones, 91.
- Cumulative financial results of operation of Bonneville Power Authority, 51.
- Development of farm electrification in the United States, 814.
- Funds advanced by REA compared with increase in number of farms served, 818.
- Manufactured and mixed gas sales to ultimate consumers, 587.
- Natural gas sales to ultimate consumers, 250, 651.
- Outlays planned by electric and gas utilities, 320.
- Population trends, 153, 157.
- Public utility construction expenditures, 64, 65.
- Radiotelegraph operations, 385.
- Source and disposition of electric operating revenues, 521.
- Status of electrification of rural dwellings, 816.
- Summary of major electric and gas operating companies in United States, 126.
- Trend of rural telephones in United States, 87, 89.
- Use of new copper from national stockpile by telephone industry, 495.

#### CIVIL AERONAUTICS BOARD,

- Air-line securities, regulation of, 760.

#### COMMISSIONERS,

- Published life of Paul Walker, 785.

#### COMMISSIONS,

- Century of regulation by, 3.
- Conduct of administrative agencies, 702.
- Chronology of utility regulation—since *PUR*, 1915-1945, 53.
- Famous firsts in regulation, 66.
- Forward course of the utility commissions, 12.
- FPC advises Congress on commission activities, 261.
- Reproduction of original of first full-powered state commission utility rate order, 46.
- SEC interpretation of Holding Company Act and operations under the act, 613.

#### COMMUNICATIONS,

- See also Telephones; Telegraph.
- Walkie-talkie takes over, 560.

#### COMPETITION,

- See also Tennessee Valley Authority.
- Advertising campaign to tell truth to taxpayers footing bill about subsidized competition, 623.

## PUBLIC UTILITIES FORTNIGHTLY INDEX

### CONGRESS,

- Congress considers science bills and atomic power, 726.
- FPC advises Congress on commission activities, 261.
- Holding Company Act considered by committee, 849.
- Program of Interior Department criticized in Congress' appropriations debate, 654.

### COÖPERATIVES,

- See also Rural Service.
- Economist charges fallacy in co-ops' defense of tax-free status, 452.

### CUSTOMERS,

- Frills in public utilities, 305.

### DEFERRED MAINTENANCE,

- Problem in utility accounting, 225.

### DEPRECIATION,

- Depreciation and security analysis, 715.
- Newfangled original cost accounting procedure, 481.
- Precision will-o'-the-wisp, 283.

### DIAL SYSTEM,

- Nation-wide operator toll dialing on the way, 596.

### DIRECTORIES,

- First Washington city telephone directory, 62.

### DIVIDENDS,

- See also Return.
- Appraising utility earnings and dividends, 250.

### EARNINGS,

- See Return.

### EASTERN GAS & FUEL ASSOCIATES,

- Recapitalization plan, 123.

### ECONOMICS,

- Honesty and economics in public spending, 258.
- Precision will-o'-the-wisp, 283.

### EDUCATION,

- Audio visual aids to learning, 631.

### ELECTRIC BOND AND SHARE,

- Program for conforming to Holding Company Act, 246.

### ELECTRICITY,

- Air war and the utilities, 766.
- Arizona plan for ownership of facilities, 704.
- Audio visual aids to learning, 631.
- British rates may rise 30 per cent, 383.
- California utility distributes Federal hydro power—Uncle Sam profits, 460.
- Changeover from 50 to 60 cycles after Japan's surrender, 431.

### ELECTRICITY—continued.

- Crusaders need light on cheap power results, 368.
- Electricity can bring new farm age, 332.
- Fuel-burning power plants mainstay for postwar industry, 131.
- Full employment bill threatens Federal spending for power projects, 445.
- Goal of universal rural electric service, 786.
- Keeping REA on the track, 745.
- Most all California farms electrified, 394.
- Plans for postwar service extensions, 262.
- Postwar power for transit, 229.
- Power plays part in wartime technological developments, 198.
- Program of Interior Department criticized in Congress' appropriations debate, 654.
- Propaganda for TVA, 160.
- Public power at expense of Federal taxpayers, 415.
- Putting the Missouri to work—Reclamation Bureau describes job, 524.
- Railroad electrification in Pacific Northwest, 829.
- Rural electrification real objective, 811.
- "Scandal" over public power revenue bonds, 186.
- Source and disposition of electric operating revenues, 521.
- Survey of urban markets for appliances, 529.
- Thoughts on privately owned electric industry staying in business, 174.
- Tom Walker's gold button for the industry, 594.
- Utilities oppose Federal operation of systems, 251.

### ELECTRIC RAILWAYS,

- Fitzgeralds were born to busses, 688.
- Postwar power for transit, 229.

### EXTENSIONS,

- Utilities alert with plans for postwar, 262.

### FARMERS,

- See Rural Service.

### FEDERAL COMMUNICATIONS COMMISSION,

- Published life of Paul Walker, 785.

### FEDERAL GOVERNMENT,

- See Public Ownership.

### FEDERAL POWER COMMISSION,

- Congress advised on commission activities, 261.
- Gas pressure regulator as local facility, 169.
- Hears views on natural gas, 588.
- Poe reviews natural gas investigation, 720.

### FEDERAL POWER SYSTEM,

- See Public Ownership.

### FINANCING,

- See also Securities.
- New plan for utility appliance financing announced, 790.

## PUBLIC UTILITIES FORTNIGHTLY

### FLOODS,

- See also Missouri Valley Authority; Tennessee Valley Authority.
- Putting the Missouri to work—Reclamation Bureau describes job, 524.

### GAS,

- AGA holds first postwar meeting, 718.
- Chart showing natural gas sales to ultimate consumers, 651.
- Federal Power Commission listens to views on natural gas, 588.
- Interstate compact group studies natural gas, 252.
- Manufactured and mixed gas sales to ultimate consumers, 587.
- Natural gas and mixed gas utility companies—earnings and price ratios, 248.
- Natural gas sales to ultimate consumers, 250.
- Poe reviews FPC natural gas investigation, 720.
- Pressure regulator as local facility, 169.
- Regulatory outlook for natural industry, 25.
- Research program of industry, 395.
- Safety work of natural gas company applies both on and off the job, 788.

### GOVERNMENT,

- See also Public Ownership.
- Honesty and economics in public spending, 258.

### GREAT BRITAIN,

- Production and confidence basic needs, 725.
- Rates for electricity may rise 30 per cent, 383.

### HOLDING COMPANIES,

- Committee hearing on Holding Company Act, 849.
- Distribution of voting power of holding company shares, 547.
- Eastern Gas & Fuel capitalization plan, 123.
- Electric Bond and Share plans, 246.
- Electric-gas holding company stocks, 520.
- Famous firsts in regulation, 66.
- Improved markets permit better integration technique, 187.
- Low-priced equities in demand, 121.
- Market ratios for holding company stocks, 124.
- Methods of retiring senior securities of, 516, 582.
- Recent integration developments, 380.
- Supreme Court to pass on "death sentences," 47.
- Table showing electric, gas, and nonutility properties sold or otherwise divested by registered public utility holding companies, 620.
- Ten years of the Public Utility Act of 1935, 457, 613.

### INDUSTRY,

- Atomic power—diverse views as to industrial possibilities, 386.

### INDUSTRY—continued.

- Power of the atom, 424.
- Production and confidence basic needs, 725.
- Searching comment, 721.
- Service industries, 19.

### INTERSTATE COMMERCE,

- Interstate compact group studies natural gas, 252.

### INVESTMENT,

- Summary of major electric and gas operating companies in United States, 126.

### INVESTORS,

- See also Stockholders.
- Interest in annual reports, 194.

### IRRIGATION,

- Putting the Missouri to work—Reclamation Bureau describes job, 524.

### LABOR,

- Employment in United States, 21.
